Fundraising for kids

Big or small, every bit of fundraising helps us do more for patients, families and NHS staff, across Swansea Bay. From little ones in neonatal care to elderly patients in our community wards.

What do we fund?

- Pioneering research
 - Cutting-edge equipment
 - Enhancing spaces
 - Patient & family wellbeing
 - Staff wellbeing & training

Here's how you can help!

Fundraise for a cause close to kids' hearts

Pick a department or unit your pupils have a connection to, such as the South West Wales Cancer Centre or NICU in Singleton Hospital.

Not only will you be making a positive impact on our charity, but it can also help raise awareness to these areas.

Book a visit to one of our wards or departments

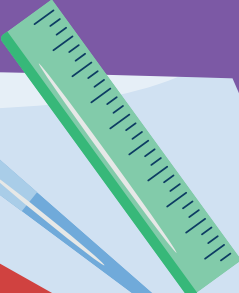

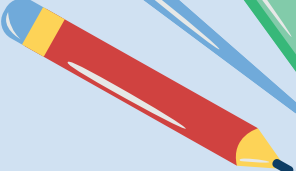

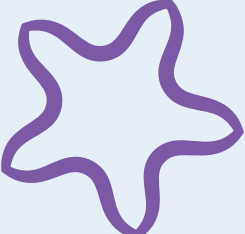

Let's bring the cause to life with a school visit! Our NHS workers would love to engage with pupils and help them to understand how their fundraising efforts help local NHS services.

Make us your Charity of the Year!

Choose Swansea Bay Health Charity as your school's Charity of the Year and create a year full of impact!

You can help us raise vital funds for our Swansea Bay NHS, while boosting awareness for our local health board charity and getting the school involved in an impactful local community cause.

Some fundraising ideas to get you started...
